

Tarot will teach you / Burn your money

(<http://www.frowntails.com/wp-content/uploads/2013/10/tarot.jpg>)

Inspired by the tarot cards 22 artists are creating one card each. They interpret the history and the symbolism of every card using their own optical language.

Tarot cards are an encyclopedia consisted of symbols. As centuries go by they have been redesigned many times. There is a huge variety of tarot decks.

Let's have a glimpse of how a group of young artists nowadays visualize something so ancient and archetypical.

On the day of the event, there will be available for sale, at a very limited number, the tarot deck designed by the artists, alongside the original works.
